separate the Breakfast Food Unit of Hindustan Vegetables Oil Corporation Ltd. to convert it into a new company and subsequent sale of its 100% holdings;

(b) if so, the reasons for delay in its privatisation; and

(c) by when the breakfast unit of HVOC is likely to be disinvested?

THE MINISTER OF DISINVESTMENT (SHRI ARUN SHOURIE): (a) to (c) The Disinvestment Commission, in its Report of December 1997, had recommended that the Hindustan Vegetable Oils Corporation's (HVOC) operations in Vanaspati and packaging of refined oils be discontinued with immediate effect. The Commission also recommended that the Breakfast Foods business be hived off into a new company and subsequently 100% holding be sold through a competitive bidding process. The Government examined the recommendations of the Disinvestment Commission and decided in September 2002 to close down all the units of the company, including the Breakfast Food Units (BFFU) in respect of which the Disinvestment Commission had recommended hiving off into a new company. The Board for Industrail and Financial Reconstruction (BIFR), which had already declared HVOC as a sick industrial company on 24-12-1999, was accordingly informed and on 7-12-2001 the BIFR passed an Order that it was just, equitable and in public interest to wind up the company and forwarded its recommendations in this regard to the high Court of Delhi. The matter of winding up of HVOC is pending in the High Court of Delhi.
